

## PRIVACY POLICY CONCERNING THE USE OF THE WEBSITE AND THE USE OF COOKIES

This policy describes our practices for collecting, using, maintaining, protecting, and disclosing the personal data we may collect from you or that you may provide when you visit our website or other digital properties, communications, or forms that link or refer to this notice (our “website”). This policy applies to the personal data collected through our Website, e-mails, or website-related electronic communication as well as offline activities and communications, regardless of the country you are located in.

Please read this policy carefully to understand our policies and practices for processing and storing your personal data. By engaging with our website, you accept and consent to the practices described in this policy.

**Version 1.0**

**August 10, 2020**

## **Privacy Policy concerning the use of the website and the use of cookies**

The partners in the i2-CoRT consortium (the complete list of partners is available in the following link <https://i2-cort.eu/i2-cort-partners>), hereafter called “i2-CoRT”, understand the importance of the privacy of its customers and the protection of their personal data. The present policy outlines the handling and processing of the personal data we collect.

### **1. Scope**

This website is operated by i2-CoRT. It is important for us that we create and maintain an environment where our customers feel comfortable that their information will not be misused.

We comply with the applicable data protection laws, such as the General Data Protection Regulation 2016/679 and national data protection laws. These data protection laws relate to the protection of your personal data and grants you rights in respect of your personal data.

This policy aims to tell you which personal data we collect from you and how your data will be used following the use of our website to try to ensure you the proper handling of your data.

### **2. What personal data is collected**

You do not have to provide your personal data to us in order to use most of our website.

For the purposes as mentioned hereafter, i2-CoRT may gather and process the following categories of personal data about you:

- Name, address;
- Contact details (e-mail, phone number).

You may also choose to provide additional/optional information when completing forms on our website or that you give us when we have contact with you (by telephone, by e-mail or at trade fairs or events).

Furthermore, we may also collect and process information obtained through our websites or the devices you are using. This information can be :

- Information from cookies, web beacons or from the internet. This information will be gathered automatically and may be the website that you have visited before browsing our website or the website that you are visiting after ours.
- We may also collect information on which pages of our website you are visiting. This information is aggregated and is not used to identify you. You can find out more about how we do that in the articles on the use of cookies.

i2-CoRT may also collect publicly accessible information in order to verify information we have collected and to manage and expand our business.

### **3. Why do we collect this information**

i2-CoRT collects the abovementioned information to understand your needs and to provide you with a better service, and more specifically we collect your information for the following purposes:

- Your personal data will be used to respond to your (online) queries about our services, and to follow-up on our communication regarding your online request for advice or to collaborate with us;
- Verify your identity;
- The information will be used to improve our services;
- Investigate complaints about our services or regarding our website;
- Meet legal, regulatory and compliance obligations and requirements;
- Analyse and monitor the use of accounts to prevent, investigate fraud, terrorism, misrepresentation, security incidents or crime and/or report this to the competent authorities;
- Process your personal data for specific purposes as mentioned on specific forms as published on our website, on written notices or via e-mail.

### **4. How will your information be used and shared**

i2-CoRT may share your personal data:

- with companies in our group and/or our affiliates; or
- with any third party you have asked us to share your personal data with – such as Facebook or any other social media site if you have asked us to connect with your account.

We can also share your personal data, based on our legitimate interest, to third party providers who help us with our products and services. Examples include hosting our web servers, analysing data, providing marketing assistance, and providing customer service. These companies will have access to your personal data but only when strictly necessary to perform their functions and they may not use that data for any other purpose.

Your personal data will not be sold or rented to third parties.

We may disclose your personal data to enforce our policies, to comply with our legal obligations or in the interests of security, public interest or law enforcement in any country where we have entities or affiliates. For example, we may respond to a request by a law enforcement agency or regulatory or governmental authority. We may also disclose data in connection with actual or proposed litigation, or to protect our property, security, people and other rights or interests.

In the event that the business of i2-CoRT is sold or integrated with another business, your details will be disclosed to any prospective purchaser's adviser and will be transferred to the new owners of the business. In this case, we will implement the appropriate safeguards to ensure the integrity and confidentiality of your personal data. However, use of your personal information will remain subject to this Policy.

## 5. Transfer of your personal data

I2-CoRT does not transfer your personal data to third countries located outside the European Economic Area. No data will be provided to third parties without your explicit permission.

## 6. How we use cookies

Some features of this website are designed to give you a better online experience on our website and will only work if we use cookies. We also use cookies to collect information about your online preferences. Cookies are text files which contain small pieces of information, sent by a web server to a web browser which allows the server to uniquely identify the browser on each page. They will be stored on your computer, tablet or phone when you visit a website.

Cookies may contain identifying information. Cookies enable us to gain information about the use of its websites. This information may be analysed by third parties on our behalf.

### a. **We use the following categories of cookies on our website:**

#### ***Strictly Necessary Cookies***

These cookies are essential in order to enable you to move around the website and use its features. Without these cookies, services you have asked for such as remembering your login details or shopping basket items cannot be provided.

#### ***Functionality Cookies***

These cookies remember choices you make such as the country you visit our website from, language and search parameters such as size, colour or product line. These can then be used to provide you with an experience more appropriate to your selections and to make the visits more tailored and pleasant. The information these cookies collect may be anonymised and they cannot track your browsing activity on other websites.

#### ***Social Media Cookies***

These cookies allow you to share what you've been doing on the website on social media such as Facebook and Twitter. These cookies are not within our control. Please refer to the respective privacy policies for how their cookies work.

### b. **Deletion of cookies and more information about cookies**

Some cookies are deleted when you close down your browser (session cookies). Others remain on your device until they expire or you delete them from your cache (persistent cookies or tracking code) and enable us to remember things about you as a returning visitor.

If you want to delete any cookies that are already on your computer, please refer to the help and support area on your internet browser for instructions on how to locate the file or directory that stores cookies. The help option on the toolbar of most browsers will also tell you how to prevent your browser from accepting new cookies, how to have the browser notify you when you receive a new cookie, or how to disable cookies altogether. Please bear in mind that some personalized services may not be available if you choose to disable cookies.

Please note that by deleting our cookies or disabling future cookies you may not be able to access certain areas or features of our site.

To find out more about cookies please visit: [www.allaboutcookies.org](http://www.allaboutcookies.org) or see [www.youronlinechoices.eu](http://www.youronlinechoices.eu) which contains further information about behavioural advertising and online privacy.

### c. **Web beacons**

Some of our Web pages may contain electronic images known as Web beacons (sometimes known as clear gifs) that allow us to count users who have visited these pages. Web beacons collect only limited information which includes a cookie number, time and date of a page view, and a description of the page on which the Web beacon resides. We may also carry web beacons placed by third party advertisers. These beacons do not carry any personally identifiable information and are only used to track the effectiveness of a particular campaign.

## 7. **Rights of Data Subjects**

You are entitled to see the information held about you and to obtain a copy of the information we hold. If your personal data have been changed, you are entitled to ask us to rectify or complete or erase the outdated, incorrect or incomplete data we have about you. We will comply with such request as soon as possible. Furthermore you have the right to restriction of the processing of your data and to object to the processing of your personal data. You have also the right to data to receive the personal data concerning him or her, which he or she has provided to a controller, in a structured, commonly used and machine-readable format and have the right to transmit those data to another controller.

We may require you to provide verification of your identity to ensure that you have a legitimate right to make the request and to verify that we provide the answer to the person that has the legitimate right to send us one of the abovementioned requests and to obtain the information.

Please note that in certain circumstances as provided by law we may withhold access to your information or that we may not grant your request where we have the right to do so under applicable data protection legislation.

If you wish to obtain more information regarding the processing of your personal data or if you wish to exercise your rights, please contact us through the following email address [i2-cort@adelante-zorggroep.nl](mailto:i2-cort@adelante-zorggroep.nl).

You have the right to lodge a complaint with the competent supervisory (data protection) authority.

## 8. **Security**

I2-CoRT is committed to trying to make sure that your information is secure. We have implemented reasonable technical and organisational measures to secure your personal data from accidental or unlawful destruction, loss, alteration, unauthorised disclosure of, or access to, personal data transmitted, stored or otherwise processed. You should, however, remember that the internet is an open system and we cannot guarantee that unauthorised third parties will never be able to defeat those measures or use your personal data for improper purposes.

This website may contain links to third party websites. I2-CoRT is not responsible for the content of these websites and is not responsible for the privacy standards and practices of that third party. We recommend you to read and understand the relevant privacy policies of these third parties and their websites before you accept their cookies and visit their website to ensure yourself that your personal data is sufficiently protected.

## **9. Changes to this policy**

I2-CoRT may amend and update this policy from time to time to ensure that the policy represents the way we process your personal data at that time. We will place an updated version of this policy on the same webpage and will automatically be effective when published. Please return to this webpage regularly to ensure that you are always aware of the information we collect and process, how your data is being used, in which circumstances, and in which cases we will share your data with third parties.
